Winter Hello

President's Corner

Hello 2016!!! Hard to believe its 2016 and we are just 3 months away from starting our 2016 Rally Season. We hope your Christmas Holidays were full of family and friends and wonderful memories.

The rally season looks full of adventures with a couple new parks on the list. A huge thank you to all our officers for their efforts, time and dedication to keep the Puget Sounders a growing friendly fun chapter. Be sure to say thanks once in awhile, I know they would appreciate it. Then consider volunteering next season, it is not a "job" but rather a fun way to be connected, get to know each other better.

Some of you are traveling throughout the winter to many different areas. Let us know where you are on our website and maybe you'll run into a member and share some fun times away from home.

If anyone is attending rally on their travels please share your experience with us via the newsletter. Just send me a note and I'll be happy to share your news. Jim and I are planning to go to Springfield, Mass. for the FMCA National Rally in August. Jim will be representing our chapter as your National Director. Anyone else interested let us know so we can connect with you.

Have a warm and great rest of your winter as we all look forward to Spring and hitting the road again with our Sounder Friends.

Hope everyone had a great time at their New Years Celebrations, and you are keeping your New Years Resolutions, if you made any. Weight Loss anyone LOL.? It has been an interesting start of winter with the north-

west catching up on rainfall, and early snow for skiers and snowboarders. With the low temperatures we should remember to protect our motor homes. Planning for any maintenance now would be a good idea as well.

Once again it is nearing our rally season and Dana and I are anticipating a fun year of food, fun and friendship, as we hope you are as well. Our first rally will be at Fidalgo Bay resort in Anacortes April 29th. We have not been there before so we look forward to enjoying this outing. The following outing at Harmony Lake RV, May 20th, will be our first business meeting of the year. Then on June 17th we will be meeting at the Blue Ox RV in Albany followed by the NW Area Rally

(All Aboard for Albany) at the fairgrounds. For those of you who may have missed our e-mail, registration is now open for you to call in or email your form which is on the NW Area website (fmcanw.org). On the form there is a spot to sign up as a volunteer.

Just a reminder that our Chapter has volunteered for seminars again this year. Cathy Matthew is in charge of the 50/50 raffle. You can sign up to volunteer by contacting the chairpersons Dana Chambers or Cathy Matthew.

Volunteers will enter the fairgrounds on Tuesday June 21st, caravanning into the fairgrounds in order to park together. We will be giving you more information as the rally nears.

Hope everyone is staying safe and in good health.
