## Ramblin's from Roxanne

Another great weekend with great weather as we gathered at Midway RV in Centralia. Again a few of us came in on Thursday and the rest on Friday. It was great to see the Olders, Fites, and Kenneys again. Friday saw some headed off to shop the outlet malls and others to explore the area. Heavy snacks were the fare for dinner and with this group, no one ever goes hungry.

Saturday morning the Fites and Olders whipped up waffles and sausage with lots of berries and whipped cream to put on top of the waffles. After breakfast, Ron told us about the Agricultural Museum here that would be open for a special tour. Many group members headed over to the museum and were treated to sights and sounds of the a working farm and its implements.

Jim Smith brought the sign-up sheets for next year's rallies. (They rallies are listed elsewhere in this newsletter.) Be sure to get your name on the list. We do still need some hosts and co-hosts.

Saturday night dinner was BBQed brisket and all the fixings; boy o' boy was that ever good. Even had enough left over for anyone who wanted to take a few pieces home. Sunday morning was waffles and fruit. We held an executive board meeting on Sunday night and came up with a way to increase membership. A \$10 gift certificate to anyone who recruits a new member. The certificate can be used for either dues or rally fees. We are also looking at a new way to buy merchandise, more about this in the future. The brochure is also being updated.

The Puget Sounders are responsible for Registration and Information again at the NWA Rally in Albany next June. This is a great way to meet people and talk about our chapter. If you have never been to a rally they are a lot of fun. Some of the highlights are vendors, seminars, and new coaches to look at. The registration price also includes several meals plus coffee and doughnuts in the mornings.

Mike and I will not be at the November rally as we will be heading south to winter in Salome, Arizona. We will be back in the Spring.
