

Bayshore Beach RV Rally in Tokeland, July 12-14

*Puget Sounders solve **Blood Rush** murder mystery*

What is a murder mystery? Hang on, because you are about to find out. Melanie Kenney and Elsie Fite hosted an Alaskan themed weekend to set the mood for the “Blood Rush” murder mystery that takes place in Hope, Alaska. The menu included Alaskan blueberry pancakes on Saturday morning, Alaskan Shepherds pie on Saturday evening, and a bagel bar with smoked Alaskan salmon.

Friday night we dined on appetizers and assigned parts for the murder mystery. Some members went off to be photographed after dinner to get ready for tomorrow’s murder mystery event.

On Saturday morning, members enjoyed breakfast and went off to enjoy the day as our Murder Mystery hosts—Brett Kenney and Bianca Zlavog, set up the scene for the dinner time game. Several curious onlookers were seen peeking into the club house and wondering why there was an outline of a person taped to the floor.

Saturday evening began with happy hour and dinner, followed by the murder mystery game. Dessert was enjoyed during the course of the game.

Murder mystery roles were portrayed by Roxanne and Mike Parish, Arlene Woodring, Donna Mollan, Brad and Sandra Older, and Brad and Kathy Bradley. In addition to portrayal of their characters and working on solving the murder, these actors were given secret goals to accomplish. Bob and

Ramblin's from Roxanne

Our July outing at Bayshore RV Park in Tokeland was outstanding! Thank you to Kenney's and Fite's for the wonderful food. Everything revolved around an Alaskan Murder Mystery. Kenney's son Brett and his girlfriend Bianca wrote a murder mystery with many twists and turns with only a few of us figuring out the killer.

We were all parked with a great view of the ocean and were able to watch the tide come and go. Several went beachcombing while others were content to watch the seagulls feeding and the boats come and go. Several explored the area, visiting the marina, as well as driving into Raymond and Westport. All agreed it was a great place and would like to come back.

A great surprise was having Arlene Woodring join us for the weekend. She and I were paired as a happy couple for the mystery and boy did we take those parts and run with them. It was also great to have the Mollan's who had time off from their cruise ship lecture tours.

We welcomed Robert (Bob) and Holly Platz as guests for the weekend and I guess we were on our best behavior because they decided to join. They have a fifth wheel and Bob is still working. Holly loves to sew and do crafts.

Those of us who were there on Thursday went to dinner at the Tokeland Hotel which is just across the street from the park. Service was slow but the food was good. Of course, there were 7 of us.

"Don't make me flip by witch switch"

It is time to start thinking about officers for next year. Gene Kenney is heading the Nominating committee with Elsie Fite helping him. We do need another person on that committee so if you are interested please contact Gene. Also, if you would like to run for any office or know someone who might please let either of these two know.

Mike and I left for Minot, ND for the FMCA 100th Convention on Aug 6 and will most likely not be back in time for the August rally at Howard Miller in Rockport. We will see you at Harmony Lakeside in September for our Fall business meeting and elections.

Elsie Fite, John Mollan, and Bob and Holly Platz were the townspeople trying to solve the murder. Some mayhem was afoot as water guns intended as props, were filled and used on unsuspecting club members. Kudos to all who participated!

Brett & Bianca

Sunday morning we enjoyed a bagel bar accompanied by leftover treats from Friday and Saturday. Much discussion on Saturday night's event could be heard throughout the clubhouse during breakfast.
