What is FMCA?

If you own an RV, great friends and good times await. Become a member of **FMCA** — an international organization for RV owners — and join the thousands of other RV enthusiasts whose travel experiences have been enhanced through their membership in **FMCA**. Enjoy camaraderie and friendships among people sharing the common interest of RV travel. And take advantage of a wealth of benefits and services — all specially designed to meet the needs of RV owners like you.

Since 1963, **FMCA** has been helping RV families to make their travel experiences even more rewarding. **FMCA** welcomes anyone who owns and enjoys the recreational use of a self-contained RV. Some members live in their RV on a full or part-time basis, while others use it for weekend excursions or longer vacations. Others use an RV to pursue their passions, which could mean anything from attending college or professional football games, car races or speedboat competitions to participating in horse or dog shows.

FMCA members have a rich tradition of extending hands of friendship to one another, which we now offer to you. Become an **FMCA** member and enjoy your RV even more!

Even better, join a local chapter like the **Puget Sounders**.

Who are the Puget Sounders?

Did you realize when you joined the **FMCA** that you not only became a member of the premier RV association in North America, but also one of the largest networks of RVers in the world?

There is no better way to enjoy your zest for travel adventures, hobbies, interest, and friendship within Puget Sound Area than becoming a member of a local FMCA chapter.

Since 1984, the **Puget Sounders** club members have been enjoying traveling through the state of Washington's most beautiful counties like King, Snohomish, Skagit, Whatcom, and Island. Our club members are very active within our communities, and volunteer for the FMCA Northwest Area Rally. Our club hosts eight rallies per year between April and November. Attendance is not required, but those that do not attend are missed.

We enjoy the following activities:

-  Volunteering
-  Visiting New Areas
-  Local Sport Teams—Go Hawks!
-  Games
-  Campfires
-  Story Telling
-  Arts and Crafts
